MEMORANDUM

August 16, 2005

To: All Judges and Attorneys

From: Peter J. Calderone, Director and Chief Judge 

Subject: Website Workers' Compensation Decisions and Research Manual

The New Jersey Workers' Compensation Website (www.nj.gov/labor/wc/wcindex.html) has been enhanced to provide recent Supreme Court, published Appellate Division and all published Workers' Compensation Court decisions by category. This section of the website can be accessed by going to the Legal Resources indicator on the left hand side of the homepage and then clicking on "decisions." In addition, as indicated on the "decisions" page, attorneys and other interested parties can now join our e-mail alert system that provides notice of any new decisions being added to the website.

The Workers' Compensation Research Manual, which had been prepared for use by the workers' compensation judges, has also been added to the website for attorney research and information. Instructions on using the Research Manual and its link to Lexis are also provided. The Manual can be accessed from the "decisions" page.

With these additions to the website, there is now direct access to the Workers' Compensation statute, rules, cases and research. These materials are updated on an ongoing basis to ensure that they provide current materials and resources.
